The next page will ask you to choose the membership you want.

You would choose Player Membership - Junior/Senior Player (it will only populate with either senior or junior, off the court (team managers) or Official (for coaches) depending on DOB of registrant).

When you click on the **Registration Divisions** it will only supply you with the Divisions he/she is eligible to play in, choose from the ones displayed (it might show the option of the age group in mixed or possibly senior as well depending on the age of the player as U17s can play in senior divisions etc. Please double-check with your Team Manager which division your team is expecting to play in – i.e. if the player is a bottom age player but is moving up to the next age group to remain with the team – whether your team intends to participate in the Mixed or Female Only competition).

There is no facility to nominate the team as we used to have in MyNetball but you can nominate 2 friends to be included in a team with. We will endeavour to accommodate requests but cannot guarantee this due to grading and age restrictions. You can also refer a friend who hasn't played before but who may be interested.

Scroll to the bottom and then click the Add Competition

and Membership button.

The next screen is the Additional Personal Information required by Netball Victoria. It will ask for your MyNetball ID. This should still be available (until 31/12/21) by logging into MyNetball or you can email registrations@stanthonysnetball.org.au and we can look it up for you.

Please complete the form and at the bottom select add competition and membership again.

#### The next section is the **Participants/Payments** screen for Review and Discount Section.

At this point the full price will still be showing. Underneath the box you can add a discount.
