APPENDIX 2: CAULFIELD AND DISTRICT NETBALL ASSOCIATION WEATHER POLICY

Weather Policy
1. Extreme Heat

In the case of extreme heat, prior to each match commencing, readings will be recorded from [Bureau of Meteorology – Moorabbin Airport station](#) and the [Wet Bulb Globe Temperature Chart](#) (WBGT) will be consulted to incorporate the humidity and determine the relative temperature.

In the event that the WBGT exceeds 30.0 °C, an environmental assessment shall be undertaken and consideration should be given to:

- a) Reducing the quarters by 1 minute
- b) Allowing a 30 second drink break at ¼ time and ¾ time

In the event that the WBGT 34.0°C:

- a) matches in progress shall be suspended at the end of the current quarter
- b) Play will not resume until the WBGT is less than 34.0°C
- c) New matches must not commence until the WBGT is less than 34.0°C

Measures can be undertaken to minimise heat injuries.

- Examples include the provision of hats, appropriate sunscreen, spray bottles and drinking water.
- Players should hydrate 24 hours in advance of their scheduled match time.

2. Wet Weather

Netball is traditionally a winter, outdoor sport and our preference is to NOT cancel games. However, player and umpire safety is paramount and if the courts are deemed to be unsafe by the Court Supervisor, in conjunction with the Umpire Coordinator, matches will be cancelled. The decision to cancel matches are made round by round. If any decisions are made earlier, CDNA will make every effort to advise clubs and teams via email, text and/or via social media.

Our guidelines:

- Matches will be routinely cancelled in the event of HEAVY rain, hail and/or lightning.
- Games will not be cancelled because it is cold.
- Match cancellations will not be based on player/umpire/spectators comfort – only safety.
- Ultimately if parents/coaches do not agree with our informed decisions, they have the option to prevent players from playing or forfeiting their match.

a) When playing any sport you are voluntarily exposing yourself to a variety of risks for the sake of fun. YOU must decide whether the risks you choose to take are ACCEPTABLE risks for you/your child.

b) If players/coaches wish to forfeit their match they are free to do so. If both teams agree no points will be given. If only one team wishes to forfeit then the other team will receive the points for the game.

c) If parents do not want their children to play for whatever reason, they obviously have that option. “Peer pressure” is less relevant than your child’s perceived safety.

d) Please do not question our legal and moral responsibilities OR our “insurance cover”. Our decision will always be a balance between the enthusiasm of players who generally want to play and their health and safety, which is paramount.

At no stage will the spectators, parents, players or team officials approach the Court or Umpire Supervisors regarding the weather. An announcement will be made by the Court Supervisor over the PA system and the CDNA Facebook page will also be continually updated in a timely manner.
