

24<sup>th</sup> March, 2020

Dear clubs and teams,

### **Suspension of Domestic Competition, Rep Netball, Net Set Go**

In line with the recommendations released by Netball Victoria (see attached) the CDNA will be suspending our domestic competition, representative netball and Net Set Go until **May 31, 2020**.

Any changes or updates to this date will be communicated to you as soon as it is possible.

### **Fees paid for 2020 Autumn Season**

At this point in time, all fees paid for the 2020 Autumn season will be retained by the Association. Once there is more clarity on the timing and parameters of our future domestic competition, we will communicate with everyone how these funds will be allocated.

### **Structure of Future Domestic Competition**

Until there is more clarity on when we can safely get back on court, we are unable to provide any details on the potential form our future domestic competition will take. When more details are available, we will endeavour to work with all of our Clubs and teams to create a competition which maximises the amount of netball our community can take part in.

We want to thank you for your understanding and assistance with all of this, including passing this important message out to every single one of your players. In these unprecedented times, working together is such an amazingly powerful tool and we appreciate you all.

In the meantime, please take care of yourselves and of others and we look forward to speaking with you all again soon.

Kind regards,

Committee of Management  
Caulfield and District Netball Association
